e-Yantra project
IIT Bombay

Subject: Expressing intent to participate in e-Yantra Lab Setup Initiative (eLSI)

Dear Sir/Madam,

We understand that the MoE funded e-Yantra project is facilitating the setting up of robotics labs at engineering colleges with the goal of spreading embedded systems and robotics education.

In order to achieve the desired impact, e-Yantra provides necessary support in the following manner:
1. Training a team of 2-4 teachers and 10 students through online MOOC platform
2. College may nominate upto 30 students to participate in training, e-Yantra will conduct a selection test to shortlist 10 students to be trained
3. Providing support and advice to set up a robotics lab such that by the time the teachers & students are trained, a robotics lab is set up at the college

On our part, we express our intent to participate in this nation-building effort by committing the following resources:

1. Team of teachers:
   Team leader: ----------------------------------

   e-mail id of Team-leader   ----------------------------------

   Contact Number of Team-leader   -----------------------------------

2. Team of teachers & students: Please provide details in attached format
3. Funds to set-up a robotics lab: Upto INR 250000 for training and purchase of equipment (as per equipment list).
4. We commit the charges to be paid to e-Yantra, IIT Bombay (Tick the appropriate box that applies to your choice):

   ☐ a. INR 50000 for training (colleges purchase equipment from vendors in market)
           OR
   ☐ b. INR 250000 (for training & equipment: e-Yantra provides a "lab in a box")

5. Creating a Robotics club for students to experiment with the robots
